Welcome

June 10, 2020

Dear WEAAD Attendees:

On behalf of the National Adult Protective Services Association and National Center for Victims of Crime, welcome to the sixth annual Global Summit in celebration of the 16th anniversary of World Elder Abuse Awareness Day.

Our deepest gratitude also goes to our esteemed group of national and international speakers, who are true pioneers and champions for elder justice, as well as our 925 summit attendees and 85 partner organizations.

This event would not have been possible without the generous support from our lead sponsors: the ABA Foundation, Eversafe, the JP Morgan Chase Foundation, SIFMA, and Wells Fargo.

"What WEAAD is: the driving force of a caring culture where we celebrate and respect older persons and their human rights. There is a need for extraordinary leadership, clarity of vision, and complete commitment in knowing that in a civil society, each person can and must resolve to do better, be stronger, to reach further, to find solutions."

-Dr. Elizabeth Podnieks, Founder of WEAAD
