

World Elder Abuse Awareness Day

Third GLOBAL Summit

12th Anniversary | Thursday, June 15, 2017 | Washington, DC

Join with national and international prevention leaders for this important event focusing on elder abuse and financial exploitation.

Sessions Include

Keynote Session

Senior Financial Empowerment Act US Senator Kirsten Gillibrand *(invited)*

Senator Gillibrand will discuss new legislation to prevent fraud targeting US seniors and to increase public awareness of the enormous impact that fraud has.

Additional Sessions Include

International Justice for Elder Victims

A panel of participants from the **United Kingdom Ministry of Justice and Public Security**, **Norway Ministry of Justice and Public Security** and the **United States Department of Justice** will discuss international efforts to protect elder abuse victims.

Violence Against Older Women in Refugee Camps

Kate Bunting of HelpAge USA will speak on efforts to protect vulnerable older women in refugee camps across the world.

Finding the Balance between Autonomy and Protection

Liz Loewy of EverSafe, **Lisa Bleier** of SIFMA and **Kathleen Quinn** of NAPSA will present an interactive and multidisciplinary session on the difficult issues of honoring self-determination while protecting those that cannot protect themselves.

There is no charge to attend and seats are limited. Register Now at
