

31st Annual National Adult Protective Services Association & 2nd National "Bridges to Justice" Conference | Sponsorship

Dear Potential Partner:

Please join us for an exciting opportunity to raise national awareness of your business' products and services at the 31st National Adult Protective Services Association (NAPSA) annual conference in Grand Rapids, MI November 16th-18th, 2020. This year's event will be held in conjunction with the [Aging and Adult Services Agency, Michigan Department of Health and Human Services](#).

NAPSA conference attendees collaborate with clients, families, the legal system, healthcare providers and many other professionals. More than 500 executive directors, managers and supervisors, as well as direct service personnel, will attend the 2020 NAPSA conference, the only national conference on the increasingly visible problems of elder and vulnerable adult abuse.

Sponsoring organizations will be able to:

- Demonstrate and make known the value and importance of your products
- Uncover new opportunities to educate and provide solutions
- Identify potential new markets for your products and services

Based on many years of conference experience, NAPSA is well-positioned to help your organization succeed in being nationally recognized and accessible to our growing community.
