The NAPSAs World Elder Abuse Awareness Day (Global) Summit was created in 2015. Each year the Global Summit on World Elder Abuse Awareness Day brings together national policy makers, advocates, financial services institutions, media, social services organizations and the general public, plus over 150 additional organizational and individual partners from all over the world. Please plan to join us this year as we continue to address this growing global problem.

CONVENOR ORGANIZATIONS

National Adult Protective Services Association

National Center for Victims of Crime
