Handout   **MDT TEAM EXERCISE**

1. You are a member of the MDT Team.

2. You are attending a meeting of the team to discuss a specific case.

3. You are to select the most promising suspect who will become the subject of a search warrant that law enforcement member(s) will serve.

4. You are also required to determine what type of short and long term supports and protective services are needed for the victim and determine who will provide what services.

5. You have been provided with a statement of facts and a list of potential suspects.

6. Your task is to select the most likely perpetrator and to eliminate the other six suspects for a specific reason. Reasons for disqualification must be recorded by the group.

7. Assume that there is one correct suspect.

8. Assume that all data is correct and complete.

9. You have approximately 25 minutes to choose the suspect.

10. There must be substantial agreement in your group that the problem has been solved.

11. You must solve the problem as a group.

12. You may organize your work in any way that you please.
